

Horsemen's Council of Illinois is the only statewide organization that works to serve the entire horse community. The Board of Directors & committees address education, equine health & welfare, trails, land use and legislative & regulatory concerns.

There are more than 70,000 horsemen in Illinois. More members means greater influence and ability to protect and grow the horse industry. Membership income provides the operating budget of HCI and key services to its members.

Please join and encourage others to also join so more can be done to educate, mobilize and represent horsemen. HCI members are amateurs, professionals, horse hobbyists, breeders, local riding clubs & larger businesses. Individuals & groups from all disciplines, breeds and types of horses are welcome.

Your HCI membership pays for itself with the benefits of print newsletters, email bulletins, equine health & legislative alerts, members only resources on the website and access to HCI board members for professional expertise and as speakers for your events.

From Association Resource Group - option to purchase \$1,000,000 Excess Personal Liability Insurance; prescription drug discounts for you & your animals; up to 32% savings on equipment for your farm & discounts from Hertz, Constant Contact, Veterinary Pet Insurance, AccuConference, HorseSaddleShop.com, PETSMART & Sheplers.

Gold Level Members are covered by \$1,000,000 Equine Excess Personal Liability Insurance.

****See policy for complete details. ****

Horsemen's Council of Illinois Represents YOU!

Please check out the HCI website to see how they are involved in the Illinois horse drawn carriage industry, Illinois Legislature concerning equine laws and preservation of trails in Illinois.

The Horsemen's Council of Illinois is also proud to bring you the Illinois Horse Fair every year during the first weekend in March.

HCI needs your continued support in order to preserve and protect the equine industry in Illinois.
